

THE STANDARD IN RAILING FENCING & GATES

Railings – Custom-fabricated, welded aluminum system that offer the strength and beauty of maintenance-free aluminum. Extruded sleeves provide ease of installation and adjustability, while match top rail profile.

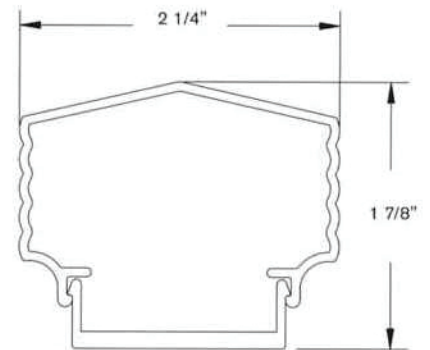

Choose from six different shapes; Channelpipe, Classic, Classic II, Colonial, Standard, or Traditional. Carfaro railings are ideal for balconies, club-houses, decks, front entrances, and courtyards.

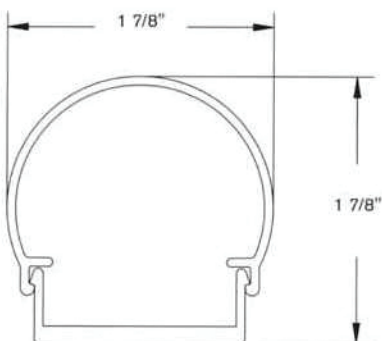

Standard Top Rail

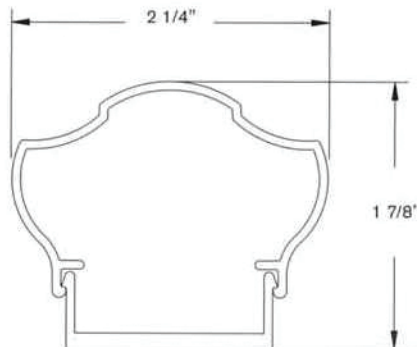

Classic Top Rail

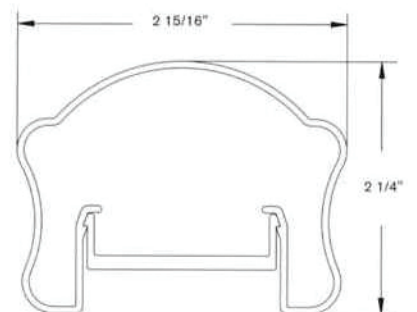

Colonial Top Rail

Channel Pipe Top Rail

Traditional Top Rail

Classic II
